

What are people saying?

"I could sit on a cold floor and be inspired by your teaching."

–Dayton ACSI Convention participant

"Now I know it's okay to teach with doodles and songs and touching/tapping and coloring...And I understand my hubby a bit more, too. He's self smart."

–Minneapolis ACSI Convention participant

"I thought Dr. Koch was a really great speaker; she grabbed and kept the attention of everyone. The thing that made what she said easy to accept and understand were her own experiences that she shared with us. She really knows what she's talking about."

–Teenager

"I want to thank you. I don't think I've listened to a teacher as much as I listened to you. I think you taught me a lot."

–Eleventh grade male student, Texas

"The child in me listened...and she thanks you."

–Dayton ACSI Convention participant

"You have planted a seed for change and growth in our community..."

–Jackson Hospital, Jackson, TN

"You...showed us how to handle ANY situation with grace and dignity!"

–Bruckner Learning Center, Liberty University

"Such great, easy ideas for us to use in practical ways! Excellent!"

–South Bend ACSI Convention participant
